

# PRINCESS V39

YEAR	LENGTH	LOCATION	ASKING PRICE
2016	11.63 M	MALLORCA SPAIN	395.000 € VAT PAID

## INTRODUCTION

This 2016 PRINCESS V39 is a luxury yacht combining elegance, performance, and functionality. Built by the renowned PRINCESS YACHTS, it measures 11.63 meters in length and 3.80 meters in beam.

The yacht features a tapered bow, efficient hull design, and a hardtop with a retractable roof. It offers sundecks at both bow and stern, along with an outdoor galley equipped with a barbecue, refrigerator, and sink.

Inside, the yacht maximizes space for comfort. The salon includes a TV, an adjustable dining table that converts into a double bed, and a fully equipped kitchen. It has two cabins: a master cabin with a double berth and a guest cabin with convertible twin beds. The bathroom is modern, with a separate shower and access from both the salon and main cabin.

Powered by two 370hp YANMAR-8LV-370Z diesel engines, the yacht offers agile navigation and exceptional maneuverability. Extras include underfloor heating in the bathroom, oil heating throughout, air conditioning, a generator, and more.

A major refit in January 2022 added new navigation equipment, underwater lights, an analog camera, and a targa restructuring. In April 2024, a new retractable roof was installed. The yacht is VAT and Spanish Matriculation Tax paid, professionally maintained, and serviced annually.
