## INTRODUCTION

The 34-meter Sunseeker seamlessly combines British engineering with sophisticated design, delivering unparalleled luxury and performance.

### KEY FEATURES

**Spacious Layout:** Panoramic windows in the main deck create a bright and open ambiance, complementing the elegant salon and formal dining area.

**Luxurious Accommodations:** Accommodates up to 10 guests across a master suite, a VIP cabin, and two twin cabins with Pullman berths, all featuring en-suite bathrooms. Separate crew quarters for up to six ensure impeccable service.

### OUTDOOR LIVING

**Flybridge:** A generous space equipped with a retractable hardtop, ample seating, a wet bar, and sunbathing areas for entertaining or relaxing.

**Aft Deck:** Perfect for alfresco dining, seamlessly connected to the interior via glass sliding doors.

### PERFORMANCE

**Engines:** Twin MTU 12V 4000 M93 engines (2,720 HP each) deliver a top speed of 25 knots and a cruising speed of 21 knots.

**Stabilization:** Zero-speed stabilizers ensure comfort both underway and at anchor.

### EXTRAS

A hydraulic swim platform, a tender garage convertible into a beach club, state-of-the-art AV systems, and advanced navigation equipment enhance the onboard experience.
